

Opportunities for commercial customers . . .

- To save energy
- To improve the environment
- To improve your business

Presented by
The Fairport Municipal Commission

Take advantage of these facility improvement opportunities . . .

IEEP Customer Breakdown:

Making commercial buildings more energy efficient will help keep electric costs down for all municipal utility customers. Lighting and motors account for a significant portion of energy use in commercial buildings. Upgrading this equipment can help reduce your electric costs while improving the look and operation of your facility.

Commercial Energy Usage:

Good Energy Management is Good Business!

The Ultimate Goal: Environmental Improvement.

Qualifying Measures Worksheet

The IEEP has evaluated and qualified the energy saving measures listed on this page. For the measure to be eligible it must meet the minimum efficiency criteria listed. For projects up to \$500, pre-approval is not required. Projects greater than \$500 require pre-approval. Should you require pre-approval or for more assistance, please contact Honeywell at (800) 263-0960.

Approved Measure	Efficiency Criteria <i>documentation required</i>	Incentive Amount	Description of Equipment Installed	Qty.	Total Incentive Amount
4' fluorescent 1- or 2-lamp T8, Super T8, T8 HO, or T-5	New fixtures or retro-fit; lamps and ballasts must be new	\$15 per fixture

IEEP Fairport Commercial Energy Efficiency Program

The Fairport Municipal Commission (FMC) and the Independent Energy Efficiency Program (IEEP) are sponsoring this program to encourage Fairport residential electric customers to upgrade their equipment to energy efficient equipment.

To receive your rebate without delay, fill out both sides of this form completely and mail it to the address below, along with:

- ▶ A copy of the dated invoice, clearly showing equipment type and quantity.
- ▶ A copy of your recent Fairport Electric bill
- ▶ Sufficient technical product documentation, showing that equipment meets specifications (indicated on other side of this form)

Mail to: IEEP, P.O. Box 2489, Syracuse, New York 13220-2489

(Please *do not* send this form with your utility bill payment)

▶ General Terms & Conditions:

The IEEP may choose to inspect locations to verify satisfactory completion of the projects, and to measure and verify energy savings. Such inspections will be made at a time convenient to the applicant, with advanced notice to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the incentive award.

Customers are responsible for any such tax implications associated with reimbursement. The Fairport Municipal Commission (FMC) and the IEEP are not responsible for any tax consequences associated with any payments. The FMC and IEEP assumes no responsibility for performance of equipment and equipment warranty. The equipment must be purchased new and installed within the FMC electric service territory within six months of receipt purchase date. The customer relieves the FMC and IEEP of any and all liability associated with this project. The IEEP reserves the right in its sole discretion to terminate or modify this program at any time.

I, the undersigned, agree to the terms and conditions of this document. I understand that I am fully liable for any tax consequence that may arise from this reimbursement.
