

## SEWER LATERAL OWNERSHIP

The Village of Fairport appreciates the comments to date regarding the current Village's policy of the property owner maintaining sewer laterals from the home to the main. The Village is in the process of continuing to review its practices of lateral ownership and maintenance to educate ourselves on the options, costs and impacts associated with this process. The Village requests continued public input and will be discussing this topic at a future Village Board meeting. Please contact Village Manager, Bryan White at [blw@fairportny.com](mailto:blw@fairportny.com) or 585-421-3201 should you have any questions or comments on this matter. We would appreciate hearing from you!
